# E-Bulletin for the month of August, 2021

## KHAISA MODEL SENJOR SECONDARY SCHOOL (KINDERGARTEN SECTION)

## NATION FIRST, ALWAYS FIRST

This year, the theme of Independence Day is 'Nation First, Always First' to honour the sacrifices made by our freedom fighters and the glorious path laid down for generations by them.

We realise that freedom is not just about emancipation from bondage. It's also about breaking free from fear, self-doubt, restriction and old practices that hamper creativity and advancement.

I consider Rabindranath Tagore's poem as the all time greatest of expression of freedom and independence. (Gitanjali)

"Where the mind is without fear, and the head is held high......Let my country awake"

For all the stakeholders of education, freedom comes in the form of our New Education Policy which guarantees 15 years of rightful and compulsory

education for all children, and envisions a totally transformed schooling and higher education system by 2030. The much awaited and appreciated moves such as low stakes board exams, introduction of internships and vocational education as a part of curriculum from class. 6 upwards, increased flexibility and scope for a seamless blend of subjects in class 11 across commerce, Humanities, and Science streams, and the inclusion of Pre-primary into the formal education model of 5+3+3+4 are sure to make the vision of Self Reliant and Empowered India a reality very soon. All these changes came right on time for us and they are all complimentary to our vision of imparting education with Global Competence and Ancient Wisdom.

With pandemic technological advancement reached its height in the education field with the whole system going online showing us a new way of teaching learning process. All the teachers, parents and students of Khalsa participated in the process with extraordinary zeal.

The management committee of the school gave us direction, motivation and stood by us in every step to make teaching learning possible in online mode.

Dear all, the intensity of the pandemic has come down, but the corona virus has not yet gone away. We are yet to come out of the devastating effects of its recurrence this year.

As patriotic citizens, let's put extra effort into performing our civic responsibilities. It is only by working together that we can build a resilient and thriving nation.

On this particular day, almost the entire KMSSS family came together physically and virtually to celebrate the 75 th Independence Day of our country. A short and brief patriotic cultural programme commenced with Flag hoisting followed by singing our National Anthem as part of the celebration. The Speech delivered by our respected Principal ma'am reminded us about the sacrifices and the freedom struggles made by millions of our freedom fighters and the unfaltering grit and patriotism through which our freedom was gained. Pledges taken by students infused with new energy and consciousness hopes to create new awakening among the future generations. Apart from this the students of our Kindergarten Section had prepared flags displaying their creative abilities.

Raksha Bandhan

"The festival for siblings

The time for renewal

It's the moment to celebrate

The bond of pure love

Raksha means bondage

Bandhan means protection...."

Raksha Bandhan or Rakhi is an important Hindu festival, dedicated to brothers and sisters. On this auspicious day, sisters tie a silken thread on her brother's wrist and pray for his long and prosperous life. In return the brother gives a token of love and vows to protect his sister throughout life.

Children of the KMSSS Kindergarten Section celebrated Rakhi in a vibrant manner. They prepared colourful Rakhis to impress their siblings, adding more colours to the event. Their smiles mingled with the colour of the Rakhis created a dazzling moment for the children.

#### **EVENTS FOR PARENTS**

School can be an integral part of a child's life. They not only receive knowledge but also learn to develop their social skills. Involvementof parents in the growth of children are manifolds. This improves not only the behaviour and attendance of childrenin school but also affects their achievement. Keeping these features in mind an event was planned where active participation of parents were required. They came forward to sing and dance for their kids creating a cheerful atmosphere amidst this lockdown.

Never say there is nothing beautiful in the world anymore. There is always something to make you wonder in the shape of a tree, the trembling of a leaf, wind dancing among leaves and simply in the filtered rays of the morning sun entangled in the leaves.
