E-Bulletin for the month of June, 2021

KHALSA MODEL SENIOR SECONDARY SCHOOL *(Senior section)*

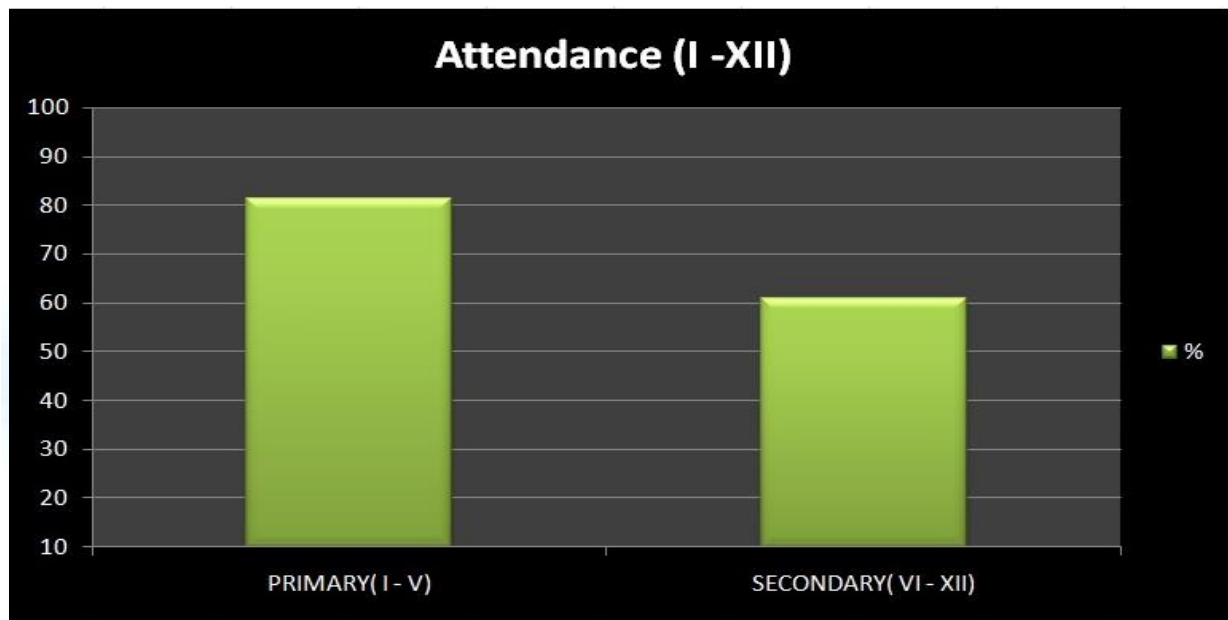

Message from Principal

Uncertain times represent a test of resilience, will and character. They measure our mental toughness, our capacity to grow and accept non-traditional ways of doing things. The result of today's uncertain times (as a constant) is a new level of awareness and appreciation of how we must become entrepreneurial in how we think, act and innovate in our daily lives. I enjoy being challenged and inspired by the people around me. I aim to enthuse and challenge staff and students to also be inventive and imaginative in their learning and day to day tasks. At Khalsa efforts are being made to give students an opportunity to engage productively and grow.
