## **E-Bulletin for the month of January, 2021**

### **KHALSA MODEL SENIOR SECONDARY SCHOOL (KINDERGARTEN SECTION)**

#### **Reach Your Goals with the Power of Positive Thinking**

The pandemic has witnessed the most stringent home arrest in the history of mankind. The schools left with the only option of taking the classes on digital platform, the teachers have been on their toes to deliver the quality contents satisfactorily. We, at Khalsa are trying to ease the use of technology both for the teachers as well as the students.

Keeping in sight the National Educational Policy, we are bound to see new protocols and reforms in academics. This very well calls for the very fact that nothing else in the world is constant and necessary but change. The only respite is possible to adopt and adapt to the changing environment. Learning is seeing a new shift and that is having only the front gears. No other option than to focus and adapt to the new paradigm at the earliest. We need to survive to excel.

Our attitude is what influences all our actions. It is only the right attitude, which gets us good results. Positive thinking may be more powerful than you realize. A positive outlook has many benefits. It can help you keep a clear mind, as well as staying energized and organized. Positive thinking can also impact others around you. If you're happy and exuding confidence, your positivity can become contagious. You'll start to see things fall into place.

As a student, it can be hard to keep a positive outlook, especially when you're studying for exams and thinking about your grades. It has been said that Opportunity 'knocks' at every door. If we utilise it, it leads to success.

The power of positive thinking is one of the best gifts you can give yourself. So, take a deep breath and remember positive thoughts reap positive results.

***Dr. Gurmeet K Arjani***

## ATTENDANCE

Attendance graph for the month of January is shown below:

### Awareness drive for parents through Webinar

Our school organized webinar for parents of Pre-primary section on 30.01.2020 on a very important topic i.e. Protection of Children from Sexual Offence. The aim of the webinar was to make the parents aware of the various aspects of child sexual abuse, protective measures to be taken to save children from sexual abuse and the legislations related to the issue. Spontaneous queries and enthusiastic participation of the parents made the webinar a successful one.

The Kindergarten Section of KMSSS welcomed the New Year with music and dance. Children displayed their innovative skills to design New Year cards.

2021' January stepped in along with its festivities. Lohri was celebrated to mark the end of winter portrayed through their drawings and Netaji's Birthday and Republic Day was celebrated by paying tribute to the leaders of our country.

## ACTIVITIES

Class	Date	Activity
LKG	8.01.21	<b>NEW YEAR</b> cards made through innovative measures.
KG	6.1.21	<b>LOHRI</b> celebrations through drawings by our KG tiny tots highlighted the concept of unique family reunion. Lohri marked the end of winter and beginning of new hope and warmth.
