KHALSA MODEL KINDERGARTEN SCHOOL

E- BULLETIN
(KINDERGARTEN SECTION)
JULY, 2025

From the desk of our Respected Principal Ma'am

As we step into the heart of the academic year, July has been a month filled with learning, growth, and renewed energy. It's been inspiring to see our students settling into their routines, engaging actively in class, and participating wholeheartedly in extracurricular activities.

This month, we celebrated several milestones—academic achievements, creative performances, and spirited sports events—that reflect the dedication of both our students and staff. I'd like to express my heartfelt appreciation to our teachers for their continued commitment and to our parents for their unwavering support.

Let us carry forward this spirit with pride. Remember, success is not just about reaching the top—it's about the journey upward, the perseverance in each step, and the kindness we extend along the way. Let July be a reminder that every sunrise holds new promise, and every effort you make—big or small—matters deeply.

Believe in yourself. Keep moving forward. And never forget that you are capable of far more than you imagine.

Nursery

Doctor's day Activity:

Students of Nursery celebrated doctor's day by coloring the symbol and learnt about the importance of doctors in our society.

Vanmahotsav Activity:

Importance of trees and plants was explained to the children and they understood how to save nature by not cutting trees, plant more trees, save the nature.

Monsoon Activity:

Tiny tots of Nursery class have pasted cotton balls symbolizing monsoon clouds and experiencing the charm of the season.

KG

Vanmahotsav Activity:

Vanmahotsav activity was done by tiny tots of KG students to celebrate the festival of trees. Spreading the awareness to save Trees, Save life and Go Green.

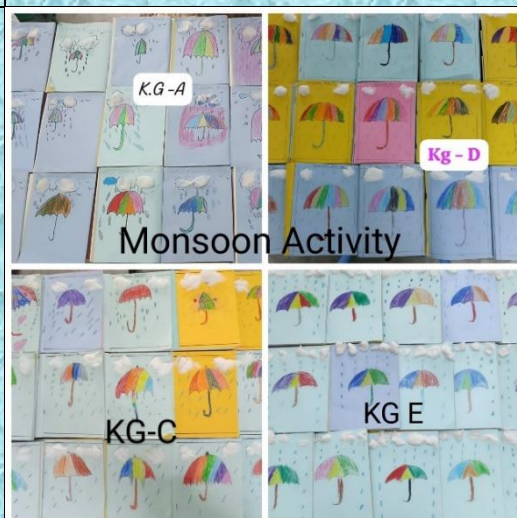

Doctor's day activity:

This activity was done by the students who pasted the First Aid materials in their scrap book and understood the importance of it.

Monsoon Activity:

This activity was done with so much fun and enthusiasm by drawing and coloring and cotton dabbing.

UKG

Vanmahotsav Activity:

To promote environmental conservation our tiny tots of UKG planted saplings on the occasion of Vanmahotsav. Thus spreading awareness of a greener earth.

Doctor's day Activity:

Students have arranged for a first aid box putting necessary items for immediate help of an injured person. A short interaction between a young doctor and his patients was staged .It was a wonderful moment for all children participating in group activity.

Monsoon Activity:

Students of UKG drew pictures of things used and fruits eaten during monsoon season .It was a very colorful activity which made them immensely happy.

Vanmahotsav Celebration

Van mahotsav ,a tree planting festival was celebrated in our school to raise awareness about the importance of trees and environmental conservation . Students participated in a spectacular dance performance to show their love and concern for nature.They were beautifully dressed as flowers,trees,leaves,sun etc.

Role Play Competition

A big salute to the warriors for their courage and selfless devotion for the country. Children honoured not just their fights but their spirits. Jai Hind to those who made sure the tricolour never bent.
