### **E-BULLETIN (SENIOR SECTION)**

**JULY, 2025**

From the Desk of our Respected Principal Ma'am,

As we step into the heart of the academic year, July has been a month filled with learning, growth, and renewed energy. It's been inspiring to see our students settling into their routines, engaging actively in class, and participating wholeheartedly in extracurricular activities.

This month, we celebrated several milestones—academic achievements, creative performances, and spirited sports events—that reflect the dedication of both our students and staff. I'd like to express my heartfelt appreciation to our teachers for their continued commitment and to our parents for their unwavering support.

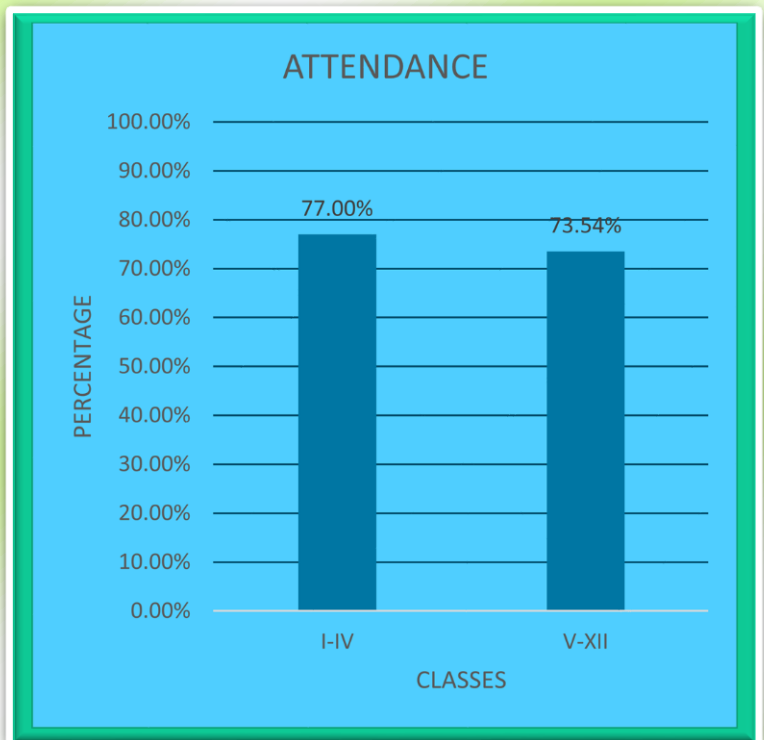

Let us carry forward this spirit with pride. Remember, success is not just about reaching the top—it's about the journey upward, the perseverance in each step, and the kindness we extend along the way. Let July be a reminder that every sunrise holds new promise, and every effort you make—big or small—matters deeply.

Believe in yourself. Keep moving forward. And never forget that you are capable of far more than you imagine.

**-Dr Gurmeet Kaur Arjani**
