E- BULLETIN
(KINDERGARTEN SECTION)

MAY-JUNE, 2025

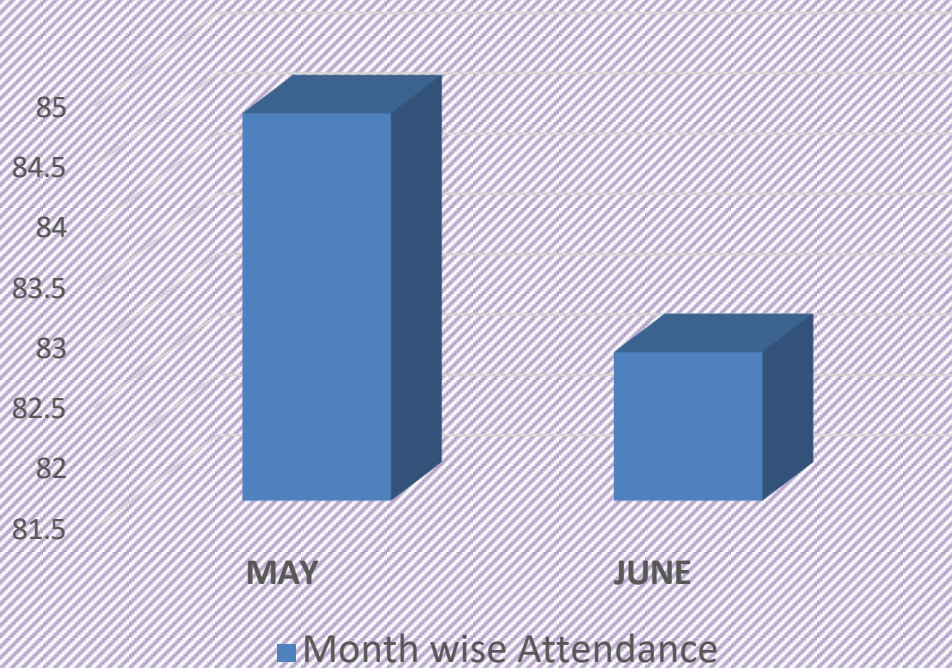

From the desk of our Respected Principal Ma'am

As we reflect on the past two months, May and June have offered a powerful reminder of growth, resilience, and the value of connection. Much like spring moving into summer, this period represents a time of transformation—where seeds of effort planted earlier in the year begin to show their first signs of bloom.

In May, we honored moments of appreciation—whether through Mother's Day, mental health awareness, or celebrating achievements in education and work. June brought with it a spirit of inclusion, pride, and progress, reminding us that diversity and unity are strengths we must continuously nurture.

As we move forward, let's carry the energy of this season: vibrant, open to change, and ready to rise to new challenges. Let's continue to support one another, innovate, and grow—not just as individuals, but as a community.
