### E-BULLETIN (SENIOR SECTION)

**DECEMBER, 2024**

From the Desk of our Respected Principal Ma'am,

As we bid farewell to the month of December, I want to take a moment to reflect on the remarkable journey we have all shared over the past few weeks. December has been a month filled with both challenges and triumphs, and it's important to pause and acknowledge the hard work, dedication, and achievements that have defined this period.

For our students, the past month has been a testament to your resilience and commitment. From exams to performances and projects, you have shown immense determination, discipline, and focus. Every effort you've put in has not only contributed to your academic growth but has also helped you build valuable life skills such as time management, perseverance, and self-discipline.

To our teachers, thank you for your unwavering dedication in guiding and supporting our students. You continue to inspire, challenge, and encourage them to reach for their dreams. Your hard work and passion for education make a lasting impact, and we are truly grateful for your tireless contributions.

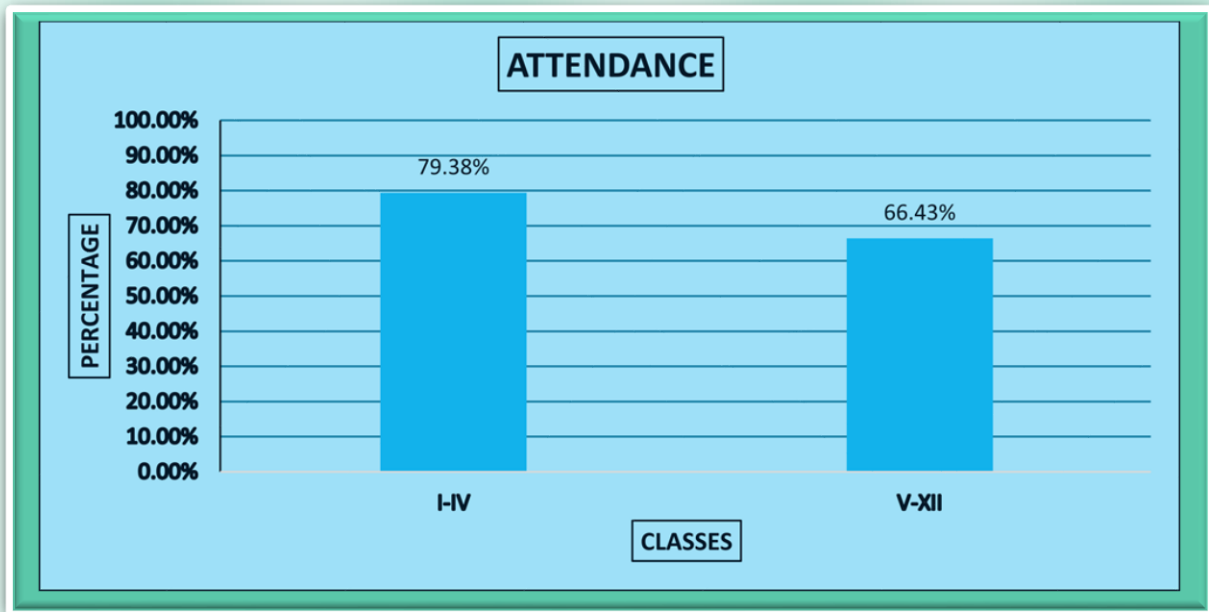

To our parents, thank you for your constant support and encouragement. Your partnership is vital in helping us nurture an environment where our students can grow, learn and thrive. Your involvement in your children's education plays a crucial role in their success, and we are thankful for the trust you place in us to shape their futures.

As we close this chapter of December, let's celebrate the collective spirit of determination and achievement that we've witnessed. But let's also look ahead with renewed enthusiasm for the year to come. The lessons we've learned, the challenges we've overcome, and the accomplishments we've celebrated will serve as the foundation for a bright and promising future.

-Dr. Gurmeet Kaur Arjani
