KHALSA MODEL SENIOR SECONDARY SCHOOL

E-BULLETIN (SENIOR SECTION)

NOVEMBER, 2024

From the Desk of our Respected Principal Ma'am,

As we bid farewell to November, I would like to reflect on the month that has passed and share our achievements, challenges, and plans moving forward.

November has been a month full of learning, growth, and progress. Our students have displayed great enthusiasm and dedication towards their academic pursuits, with numerous activities and assessments that have brought out their best. We are also proud of the extracurricular activities that have flourished, showcasing the diverse talents within our school community.

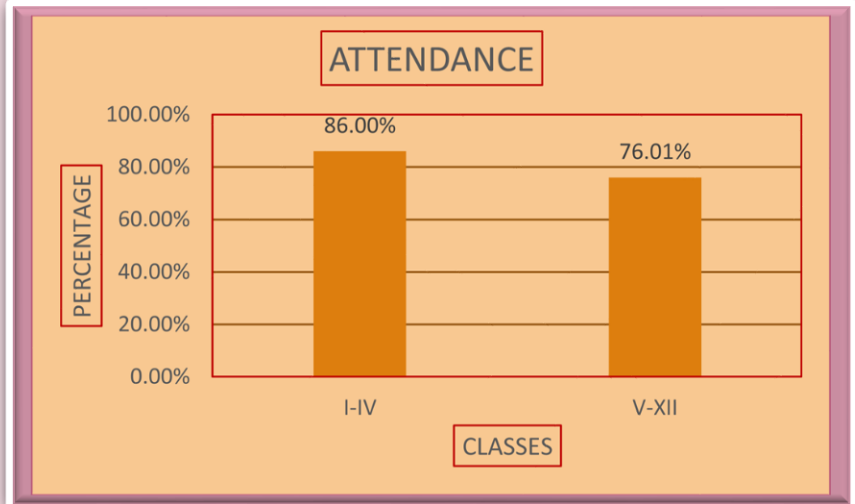

This month, we also focused on fostering a culture of kindness and empathy, with several initiatives aimed at promoting mental well-being and helping one another. It has been heartening to witness our students engage in various community outreach programs and environmental sustainability efforts, reflecting the values we uphold as a school.

-Dr. Gurmeet Kaur Arjani

◆ CONCLAVE ◆

Summit of School Principals on “Revisiting Mental Health Promotion Programs in Schools” being organized by ICTRC on November 13, 2024 in Kolkata.

◆ AWARDS ◆

Our school received an Award for Excellence from ILEAD Institute of Leadership Entrepreneurship and Development for green campus and promoting environmental awareness

Mrs Sharmistha Chakraborty, Science teacher was felicitated with an Award for being an outstanding innovator, driving impactful initiatives that promote environmental awareness and a sustainable future through visionary leadership and unwavering dedication on 23rd November.

◀ SUMMARY OF ACTIVITIES HELD IN NOVEMBER ▶

Let us now reinvent the vision crafted with innumerable repertoire by our students and teachers of KMSSS in the month of November 2024. The facets and prolific manifestations include the Special Assembly of Constitution Day, Flag Day, Guru Nanak Jayanti, the Oath Taking Ceremony by ADG Vivek Tyagi where the NCC cadets resurrected the craft of discipline and perseverance. The book fair by GNIPST, panel discussion by Guru Nanak Institute, Webinar on Cyber Bullying, CBSE Science Exhibition, English, Science Olympiad, Workshop on Myself and the World Around Us, Campaign on E Waste by Eco Club Members, Sewa Project where students of class XI donated clothes and stationaries to under privileged children in the slums, Health Camp, steadily transformed the school into a global adulation. Again the students under the canopy of our teachers and our prolific Principal Ma'am developed a palate of exceptional finesse which epitomizes dedication and creativity. Our teachers transcended various Workshops to create an elevated status of our School. The students manifested our dreams by getting awards from Inter School Competitions and recounting innumerable awards. The most haute facet was our School received Award for Excellence.

Our quintessential Principal Ma'am, also elevated a Summit on East Education, the Agenda of the summit was on Navigating the Future. Last but not the least our eponymous Principal Ma'am attended a Programme organized by ICTRC on Revisiting Mental Health Promotion as nowadays a sound mental health is the most exquisitely delicate facet of life.

Thus, all these events created an enthusiasm which steadily flaunted that together we dream bigger and dreams can become a reality.

This is vision beyond the mundane.

Sangita Chatterjee.

Our teacher Ms Shilpi Singh was invited to assess the Annual Exhibition of Calcutta Boys' School, Belegkata Branch on 13th November.

Commemoration of International Day against Violence and Bullying- Thursday, 7th November 2024. This was started on the 1st Thursday of November. Time-3:30pm-4:45pm. Mode-You Tube

This webinar was organised by UNESCO. The main motive was to do everything big or small to remove this vice. The moderator was Dr. Sarita and the speakers were Sri Manoj Shrivastava, a Resource Person from CBSE, Tim Curtis from UNESCO, Janelle Babb, UNESCO Officer from Bangkok and last but not the least, Mr Anand Rao Vishnu Patel, Additional Secretary, Ministry of Finance from Government of India. The webinar initiated that CBSE is collaborating with UNESCO to solve and abolish the serious issue among adolescents which includes cyber bullying and violence.

The webinar had an inaugural session and technical session.

In 144 countries, at least one student out of three face this bullying and they have suicidal tendencies. The issue is so fatal that the students suffer in cognitive learning and that persists in adulthood, health, education, relationship also. The bullying goes far beyond schools.

We all strive to create an Equitable Education System.

Education goes beyond academics, empathy, power and confidence.

UNESCO has strived to create 'Safe to Learn and Thrive ' which is a Supportive Learning Environment.

We all need to stop violence in education. Even NEP 2020 aims to create a safe and healthy school Environment.

The Principals, Coordinators, Teachers, Parents all should work in a collaborative manner to give every student a safe and empowered environment. The students should live without fear. There must be an atmosphere of respect and empathy.

32% children faces bullying once a month throughout the World. It's a global issue now.

The motto should be ' Each One help one.'

Education is a fundamental right for every child. A school should be a haven for every student.

Students are discriminated on grounds of gender, caste, creed, colour, religion, economic status, etc.

Students face corporal punishment also. Corporal Punishment is banned still some schools utilise it to treat their students.

Students are molested and harassed.

Cyber bullying includes fake mails, hate mails, etc.

This is also a kind of violence.

But CBSE with UNESCO and NCERT has created tool kits for Teachers and Students, to prevent these kind of violence. There are numerous posters, movies, slides. We all should swear to take active action against school violence.

Then Anand Rao Vishnu Patel, Additional Secretary voiced the webinar with a very maverick speech. He said that Government of India is working hard to stop violence. No child should ever feel isolated. There are still incidents of bullying. We need CBSE, the Management, and Government, Parents, to participate and create a Safe and Proactive Space for Mental Wellbeing. From 1st to last student need to be counselled. No one should drop out due to bullying. This is the earnest request. NCERT has started a program "Let's Speak" - If a child speaks out then the problem can be solved. It will give confidence and Parents should also take initiatives. The students spend 14 years' in School. Schools are the Temple of Knowledge or Wisdom. We need to be mindful. Students should be allowed to speak. Only then they can shine and be productive members of the country.

Then Janelle Babb gave a presentation to eradicate violence and bullying. We need to have continuous dialogue with students and then we could bring a healthy and sound World.

Thank you.

Sangita Chatterjee

Welcome Program Honouring ADG Vivek Tyagi

Date: 6th November, 2024

Location: Khalsa Model Senior Secondary School

The ADG Welcome program held today in honor of ADG Vivek Tyagi was a resounding success, showcasing the dedication, hard work, and spirit of our NCC Cadets and Cultural Dance Team, while reflecting the core values of our institution.

The event commenced with a warm welcome for ADG Vivek Tyagi, followed by an inspiring speech from Principal Dr. Gurmeet Kaur Arjani. This was followed by a captivating Cultural Dance performance and a detailed presentation highlighting the achievements of the Khalsa School NCC unit.

A special felicitation ceremony took place to honour ADG Vivek Tyagi for his outstanding contributions and leadership. The School Management President, Sardar Devinder Singh Benipal, along with Principal Dr. Gurmeet Kaur Arjani and CO P.A. Pathrudu, presented him with a token of appreciation as a gesture of gratitude for his ongoing support and inspiration to the NCC cadets.

One of the most cherished moments of the event was the inspiring words shared by ADG Vivek Tyagi. His speech resonated deeply with everyone, motivating both the cadets and the entire school community to strive for excellence and embrace the values of discipline, service, and unity. His presence added significant value to the occasion, leaving a lasting impact on all attendees.

On behalf of the school management, Principal Dr. Gurmeet Kaur Arjani expressed sincere appreciation for Major General Vivek Tyagi and Commanding Officer P.A. Pathrudu. The Principal acknowledged their exceptional leadership, unwavering commitment, and the profound influence they have had on the NCC cadets and the school community. Their guidance continues to inspire the cadets to achieve greatness and uphold the values of discipline, service, and patriotism.

Our NCC cadets demonstrated exemplary discipline and teamwork, reflecting the institution's values of unity and commitment. They presented a well-crafted PowerPoint that illustrated the journey of the Khalsa School NCC unit, showcasing key achievements, awareness initiatives, community engagement, and enriching experiences gained through various camps and programs.

The Cultural Dance Team captivated the audience with vibrant performances, beautifully showcasing the richness of our cultural heritage.

The program concluded with expressions of gratitude to all those who contributed to making the day both memorable and impactful.

Conclusion:

The ADG Welcome program was a truly inspiring celebration of our cadets' accomplishments and commitment. It created an unforgettable experience for ADG Vivek Tyagi and the entire school community. The event reinforced the strength of unity and dedication within our school, making it a day to remember.
