E-Bulletin for the month of December 2022

SENIOR SECTION

From the desk of our Respected Principal Ma'am ...

Sportsmanship

"Sportsman" -The word itself commands a lot of respect.People actually turn around and look at you when they hear the word Sportsman.I believe some kind of sport is necessary in life.It brings a kind of discipline,a competitiveness(a healthy one),fighting spirit and the guts to accept defeat gracefully.It also teaches you to fight back.It automatically and unknowingly instills the feelings of never say die attitude.

We all witnessed this during the KMSSS Annual Sports Meet this year.Students participating displayed true Sportsmanship.The enthusiasm of students,teachers and staff members was commendable.

I will not be wrong when I say that all these qualities help an individual not only in sports but also in his day to day life.Our life is full of struggles.We have to fight everyday to survive,it's a big struggle that we go through day in and day out.Sports,be it any kind of sport, trains you and prepares you to fight all the odds and give your best ,whether you win or loose is immaterial,what really

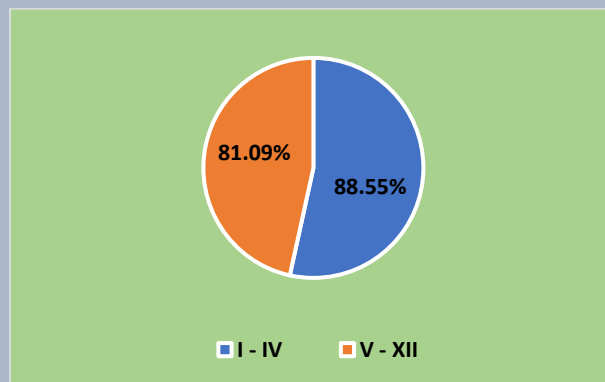

matters is that you have given your best and you fought till the end. This is exactly the attitude we need in our life, with so much competition around you in every field you need to wear your sports gear and enter the world like a fighter with a never say die attitude, only then will you be able to shine.

SUMMARY OF THE EVENTS HELD

"Excellence is not a singular act but a habit. You are what you do repeatedly." The quiet reflectiveness of December is something to be enjoyed just as much as the bountiful colours of spring. It is said by some poets that the colour of springtime is in the flowers, the colour of winter is in the imagination. December or the Yuletide brings the winter solstice. December has a lot to offer, it is a time for year-end celebrations, vacation, family time, sports, games, exchanging gifts and the time for new promises and embarking on new journeys.

Even in our KMSSS, December comprises with a volley full of activities and this is possible because of our respected Principal ma'am, who had taken all the initiative to imbibe in us the spirit of togetherness and she even rejuvenated us that it's time for creativity and imagination.

Diwas,BITM Science Fair, students of class XI again went to the underprivileged areas to share clothes, colour pencils, drawing books and other provisions with the children there,then last but not the least the Annual Sports Meet, made all of us mesmerized.

Sports in KMSSS is a gala event with March past of our students and that of NCC team,then aerobics,dance, sprints, races, Gidda,events for teachers, staff members, guardians,ex-students, Committee members,etc.which gave all of us respite from the daily grinds.It recreated a bond to combat the stress and strain of our daily life.

Kudos to our Principal Ma'am, teachers and students to make this event a grand success.

The first day ended with Baba Ajit Singh Ji House leading the scoreboard, followed by Baba Jujhar Singh Ji House and Baba Jorawar Singh Ji House in second place, and Baba Fateh Singh Ji House in third place.
