### E-BULLETIN FOR THE MONTH OF AUGUST 2023

*From the desk of our Respected Principal Ma'am ...*

#### **Sustainable Development Goals**

*The SDGs are universal goals for all people and are inherently global in nature. Students need to learn about the world and education for sustainable development which promotes the development of the knowledge, skills, understanding, values and actions required to create a sustainable world. In a way it ensures environmental protection and conservation, promotes social equity and encourages economic sustainability.*

*Learning about these initiatives helps students develop insights into critical issues around the world, such as lack of access to clean water and gender equality. Students should be aware that their involvement in sustainability initiatives is welcomed and encouraged, and that there are a lot of opportunities to do this at various levels and in a variety of ways.*

*Khalsa has taken initiative in making the students aware of the SDGs by linking sustainability projects to academics, making connections to school events. Teachers have a very important role to play as a teacher educator sows the seeds of sustainable development among his/ her students then its roots will be deeply penetrate in the society.*

*Simply put, sustainability is about small changes we can make to help look after the planet.*

**-Dr. Gurmeet Kaur Arjani**

NURSERY SECTION

Class- Nursery  
Activity on monsoon season  
Date:1.08.23

Our little ones are always curious about clouds and rain. In this activity they have made clouds by pasting cotton and rain drops using cotton buds.

NURSERY - A

Nursery B

: 11.08.23

Nursery C

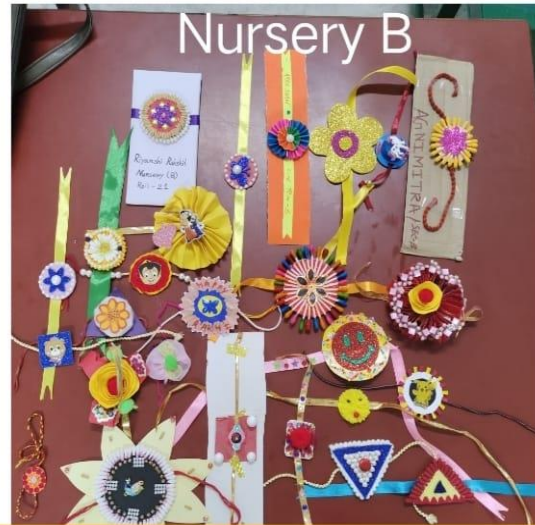

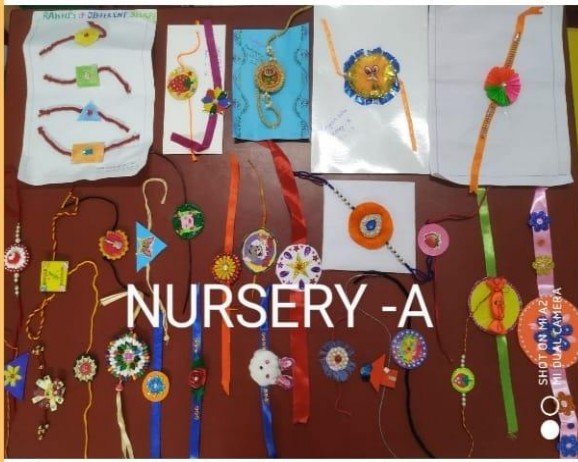

Nursery D

**Class Nursery**  
**Activity on Independence Day**  
**Date: 11.08.23**

**Kids enjoyed painting their hand in saffron or orange and green horizontal sections to make India's flag and stamping their hand on the paper.**

Class: NURSERY  
Activity- Rakhi Making  
Date-21.08.23

Children made beautiful rakhis on the theme of shapes like square, circle, triangle and rectangular. They also decorated with different materials.

Class -Nursery  
Activity-Origami  
Date-29.08.23

The activity for Nursery kids was origami. The kids learnt to make a "Rocket " under the guidance of the teacher. The students were enthusiastic about the activity and showed their creativity. This activity was done to make the children learn and understand about the big achievement of CHANDRAYAAN-3.

This activity enhanced the fine motor and creative skills of the students. Students enjoyed a lot while doing this activity.

## KG SECTION

SL NO.	ACTIVITY	DATE
1.	ACTIVITY ON INDEPENDENCE DAY	14/08/2023
