KINDERGARTEN SECTION

From the desk of our Respected Principal Ma'am ...

"The Universe doesn't give you what you ask for with your thoughts.

It gives you what you demand with your action."

As this academic year draws to a close ,I would like to thank you for all your support.

We are really proud of our students this year and in particular

we are proud of the way they have embraced the changes we have introduced.The

commitment and dedication shown by students in the exams was great to see.All round the year students have participated in the house activities,competitions,sports and volunteering events.

We are really excited about the start of next year when we will continue to build on the good work over the past academic sessions.We are committed to achieving excellence in all that we do.This requires dedication, determination, hard work and a relentless approach towards achieving the very highest standards and Team Khalsa has always wanted and worked for the very best of the students.
