

KHALSA MODEL SENIOR SECONDARY SCHOOL

E-Bulletin for the month of November '2022

SENIOR SECTION

From the desk of our Respected Principal Ma'am ...

Holistic Development

Every child is unique. Each one has unique interests, preferences, values, attitudes, strengths, and weaknesses. What children require today in schools is not just academic lessons but also hand holding to understand oneself, emotions, and mental duress while teaching him or her how to build up healthy and functional relationships as well as develop resilience and team spirit. Such a system boosts the morale of a student so that they can go on to achieve greater heights in their careers while becoming upstanding citizens of the society who contribute to the growth and development of the country.

We at Khalsa are ensuring that the school curriculum is integrated with various activities to make sure the holistic development of students, so that every child finds his or her unique place in the world in alignment with the uniqueness that he or she has.

ATTENDANCE

The attendance data for the month of November 2022 is shown below.

Class	Attendance
I - IV	88.44%
V – XII	73.96%

Summary Of The Events Held

We as KMSSS family have sprouted up and created a great many celebrations to pitch in the eleventh and penultimate month of the year- November 2022. Our teachers and students strategically chose to elucidate many activities under the guidance of our honourable Principal Ma'am. We are truly overloaded with substantive facts that will populate our KMSSS family. On the great end of the spectrum, we have performed a horde full of activities like The Swachhata Campaign, The Health Training Programme to use sphygmomanometer, oximeter and stethoscope and then the students carried out health check-up in Dunlop Gurudwara. Then there was a medical camp arranged by AMPLICON FOUNDATION. Class XI students with their class teachers visited the slums near Noapara for spreading awareness on the theme ' Humanity in Helping Others '. The school also conducted a Debate Competition for classes IX - XII to hone the oratorical skills of our students under the supervision of some teachers ,the topic being 'Digital Technology in Making Children's Life Better'. Other than these, our beloved students performed the Veer Gatha Project, Constitution Day, Children's Day, CBSE Heritage Quiz, the Science Drama organised by BITM. etc

Then even there was a Seminar for teachers on Inclusive Education of Children with Special needs.

Thus our students showed their latent talents in a holistic way
