April 2025

"Each new school year is a fresh chapter in your story. Make it a great one."

As we begin a new academic session at Khalsa Model Senior Secondary School, we are reminded of the power of education to ignite minds, shape character, and inspire change. A new year brings with it new opportunities—to learn, to grow, and to make meaningful progress in both academic and personal pursuits.

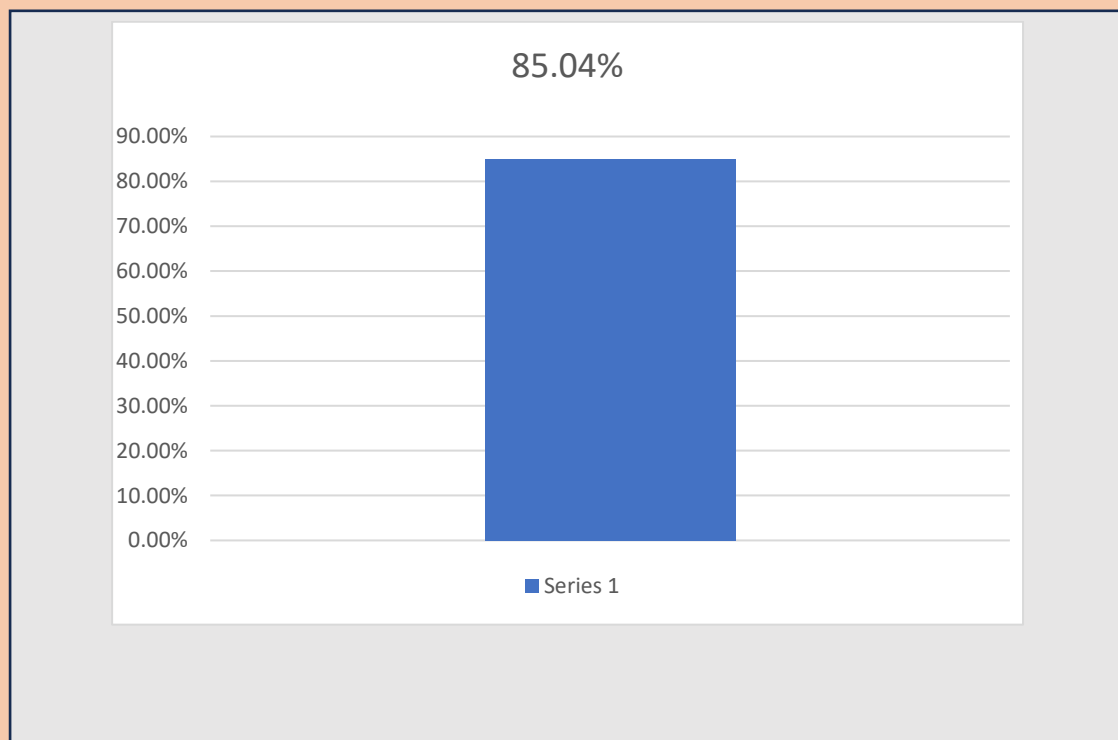

Our school remains committed to creating a nurturing and dynamic learning environment where every student feels valued, challenged, and empowered. With support and the dedication of our educators, we are confident this session will be marked by enthusiasm, achievement, and discovery.
