KHALSA MODEL SENIOR SECONDARY SCHOOL

E-BULLETIN (SENIOR SECTION)

MAY-JUNE, 2025

From the Desk of our Respected Principal Ma'am,

As we reflect on the past two months, May and June have offered a powerful reminder of growth, resilience, and the value of connection. Much like spring moving into summer, this period represents a time of transformation—where seeds of effort planted earlier in the year begin to show their first signs of bloom.

In May, we honoured moments of appreciation—whether through Mother's Day, mental health awareness, or celebrating achievements in education and work. June brought with it a spirit of inclusion, pride, and progress, reminding us that diversity and unity are strengths we must continuously nurture.

As we move forward, let's carry the energy of this season: vibrant, open to change, and ready to rise to new challenges. Let's continue to support one another, innovate, and grow—not just as individuals, but as a community.

-Dr Gurmeet Kaur Arjani

▲ ATTENDANCE ▲

▲SUMMARY OF ACTIVITIES

Welcome to the latest edition of E Bulletin, incorporating the highlights of the dual months May and June. KMSSS remains the fostering ground for budding talents as it continues to arrange events like celebration of National Technology Day, presentations by Tourism and Eco club members, seminars on various topics of social concern, observance of Guru Arjan Dev Ji's Martyrdom Day, World Environment Day, Father's day, Yoga competitions and so on. We are pleased to acknowledge and commend the exemplary performance of our AISSE & AISSCE 2025 toppers. The top position holders were felicitated by esteemed external institutions and organisations, bringing honour to not only themselves but also to KMSSS. Alongside these moments of celebration the school also bids a warm and heartfelt farewell to Mr Chandranath Sandhukhan, who had been a valued member of the teaching fraternity. The school celebrated Reading Month with engaging activities designed to cultivate love for books and strengthen reading habits among students. Bagless Days were observed to promote experiential learning beyond textbooks.

Each initiative, structured under the luminary presence of our revered principal madam and managing committee, is a testament to our commitment to innovation, excellence and purposeful growth across multiple fields.

With the academic session of 2025-26, our Eco Club has once again kick started its mission for a cleaner, greener and safer environment on our campus. The club began its functioning by celebrating with the enthusiastic students with the celebration of Earth Day on 22nd April with the demonstration of usage of colours and the message of abstinence from plastic items in the school assembly. Along with that as per CBSE guidelines Eco club for mission Life portal was opened where we generated QR CODE of the 12 plants having information of their scientific names, uses , characteristics and got them laminated to stick them on the plants to make the students aware of the flora in our campus. The pictures were put in the portal under the theme 'Adopting Healthy Lifestyle' as a sign of our school's dedicated work towards upholding nature. Every activity of the Eco club from henceforth will be dedicatedly put up in the portal.

The Eco Club members also celebrated Water Conservation Day as per CBSE awakening the students to developing water conservation habits, with a focus on practical actions like saving water daily, planting trees, and raising awareness about the importance of water.
