## E-Bulletin for the month of Feb-March '23

### SENIOR SECTION

*From the desk of our Respected Principal Ma'am ...*

“The Universe doesn't give you what you ask for with your thoughts. It gives you what you demand with your action.”

As this academic year draws to a close ,I would like to thank you for all your support.

We are really proud of our students this year and in particular we are proud of the way they have embraced the changes we have introduced.The commitment and dedication shown by students in the exams was great to see.All round the year students have participated in the house activities,competitions,sports and volunteering events.

We are really excited about the start of next year when we will continue to build on the good work over the past academic sessions.We are committed to achieving excellence in all that we do.This requires dedication,

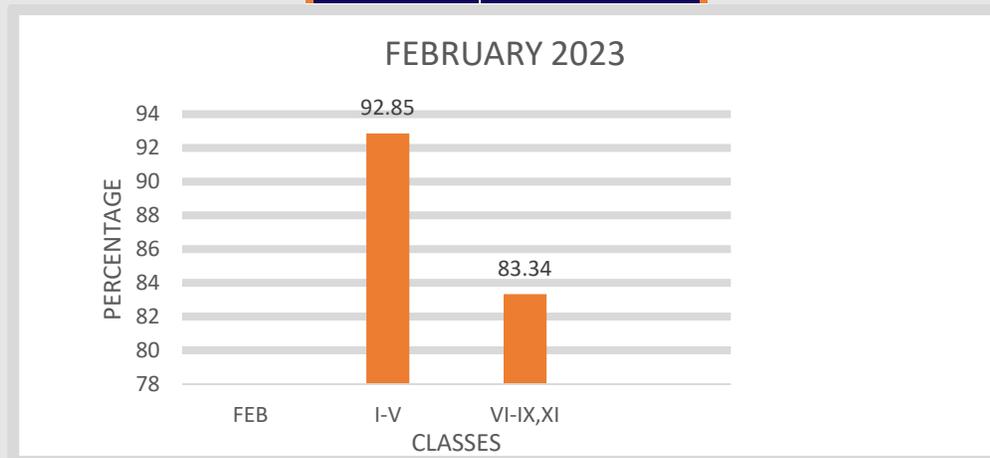

determination,hard work and a relentness approach towards achieving the very highest standards and Team Khalsa has always wanted and worked for the very best of the students.

**-Dr. Gurmeet Kaur Arjani**

## **SUMMARY OF THE EVENTS**

The morning is always brighter when we all get to say hello to our respected Principal Ma'am and Vice Principal Sir. Just like how sunshine brightens up our day, so we all as KMSSS team. It gives me immense pleasure to unleash the last edition of our E bulletin. Students have put forth their talents and creative pursuits that are too deep to be exposed and too strong to be suppressed.

The events chronologically are the combined efforts of our students, teachers and the sincere support of our revered Principal Ma'am, without whose inspiration, this would not have been fruitful.

The school organised the following events for both students, teachers and parents. To start the countdown they are a picnic and city tour for junior and senior students, Celebration of Foundation Day, India K-12 Award 2022, participation of teachers in numerous workshops on Science and Stress Management organised by CBSE, EDUDIGM, Ali Yavar Jung National Institute, Celebration of Holi, International Women's Day, Declaration of results of SIP-2nd round, Football and Basketball Camp, Orientation Programme for parents, Celebration of International Happiness Day by Appejay School. These events had created a long lasting fervour in the minds and souls of the KMSSS team. We would be celebrating such in the forthcoming session with more vigour and energy.

ADIEU.
