E Bulletin for the month of February and March, 2022

KHALSA MODEL SENIOR SECONDARY SCHOOL

(SENIOR SECTION)

We are extremely proud of how resilient and positive our children have been throughout the unprecedented period of lockdown. From coping with school closure and the absence of dear friends to migrating into the world of online school, the children have, without exception, embraced every stage with an impressive attitude.

Even before the pandemic, education was undergoing a transformation that will go on long after the virus threat subsides.

As lockdowns ease and schools start to reopen, it's as good a time as any to take stock and look at the likely future of education. Children who start school from now on will grow up to be workers and leaders in a digital-first world that will demand new skills and new ways of thinking.

In short, education's age-old three Rs – Reading, Writing, and Arithmetic – are being joined by a fourth: Rethink.

Students will be empowered to learn for themselves in flexible, often collaborative ways, both inside and outside classrooms at their own pace. They will be able to follow their own interests and be challenged where appropriate.

Teachers will have access to individualized real-time data on how well each of their students is progressing – scholastically and emotionally – so they can devise new challenges and offer appropriate support for each child to move ahead.

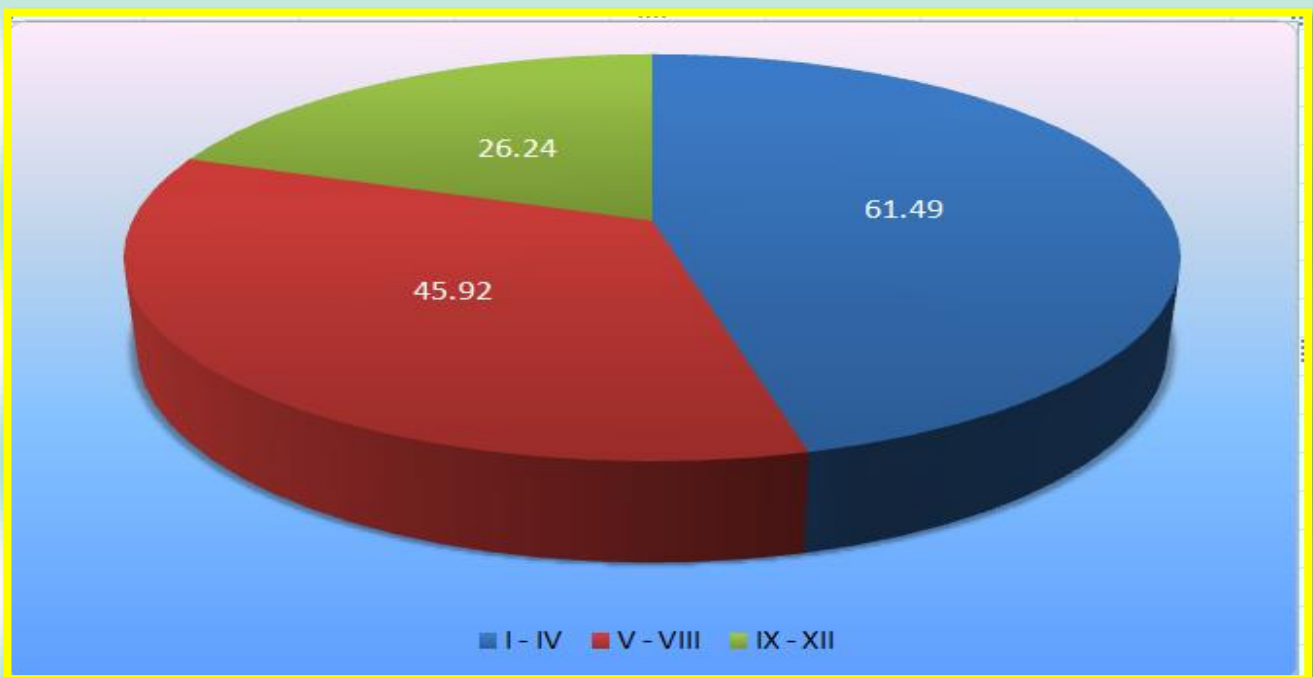

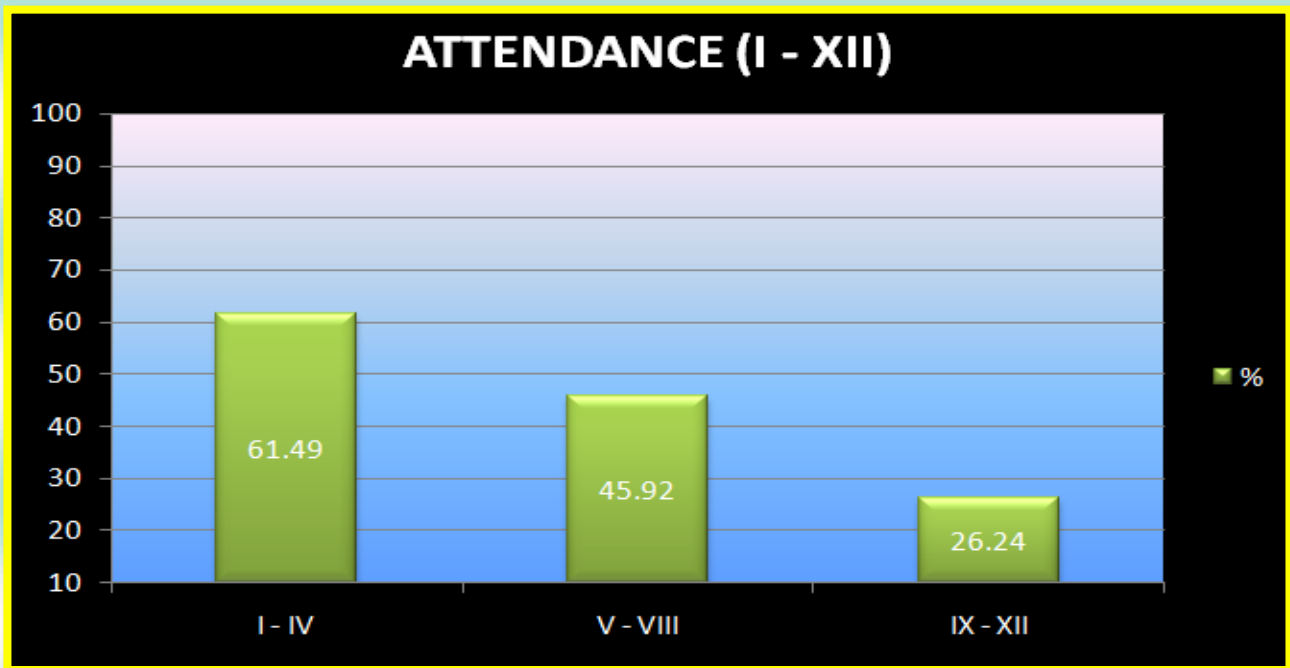

Parents will be better connected to, and involved with, their child's education with certainty, detail, and confidence.

The return to school is an important and hopefully welcome step.

Dr Gurmeet Kaur Arjani

ATTENDANCE

Attendance graph for the month of February and March is shown below:

While February bade farewell to the harsh winter and invited the mellow March wind to sweep across the earth with its unique flavour, in KMSSS a variety of activities and events were organized for February - March to rejuvenate the minds and souls of the students to mark the closure of the session 2021-22 and welcome yet another new session 2022- 23.

Activities and Events for February 2022.

IKROOP 2021-22, an inter-school competition was held between 3rd January to 25th January 2022 where eleven schools participated in various events such as *Costume designing with Newspapers, music composition, puppetry and folk dance competition.*

The results of IKROOP were declared on 4th February 2022.

The KMSSS celebrated its **53rd Foundation Day** on the 4th of February 2022 with a prayer service and Ardaas presentation seeking blessings and the strength of the almighty. Several programmes illuminated the faces of the participants and the staff. A Speech delivered by the President of the school and our Principal ma'am marked the opening of the ceremony. A PowerPoint presentation by a student gained praise from all. Songs and dance performances by the students won the hearts of the audience. Apart from these Judges, Coordinators and mentors of **Ikroop 21-22** were felicitated on this occasion.

Virtual Celebration of Saraswati puja

Saraswati, the goddess of knowledge, art, music and wisdom was remembered through Saraswati Vandana, a song and dance performance by the students of KMSSS. The video was circulated in class groups to be enjoyed by all.

Virtual Celebration of International Mother Language Day was observed on 21 February 2022 by the students of KMSSS to promote the awareness of linguistic and cultural diversity and promote multilingualism. A speech based on International Mother Language Day was presented by the students of classes VII, VIII and XI.

Virtual Celebration of National Science Day was celebrated in KMSSS on 28 th February to commemorate the discovery of the Raman effect by Indian physicist Sir C. V Raman in the year 1928. The KMSSS students celebrated this day to encourage youth to understand the aspects of science and develop an interest in it. The aim was to explain the importance of science among people. Video of the speech prepared by one of the students was circulated among the class groups to create awareness.

Apart from the above activities Term II/Pre-Board Exams 2022 commenced on 21 and 22 February 2022.

Activities and Events for March in KMSSS

Every woman's success should be an inspiration to another. We are strongest when we cheer each other on. **Women's Day** was celebrated in our school through a series of events like speeches and games. 8th March, witnessed a change in the morning assembly when the male members took upon the charge as a portrayal of gratitude and respect towards the female teachers.

The KMSSS organized an Orientation Programme for Parents from 9-16 March, 2022.

Two years of prolonged online classes had taught the children to be glued to the screen and lead a sedentary life. Therefore weaning children off their devices would be a difficult task for the parents. Hence the requirement for an Orientation programme. The school also needed to bridge the gap between the parents and the teachers. Apart from these, ensuring a safe environment for students and alleviating the fears of parents was necessary. Proper precautionary measures arranged by the school for the safety of the students needed to be discussed and disclosed. The ultimate intention was to see a change in every child after they return to school.

CBSE Story Telling Competition was held where two of our students were selected. Our best wishes are with them for our future endeavours.

Pre Holi Celebration in School

Holi, the festival of colour was celebrated in KMSSS at the Morning Assembly. The songs and music of spring filled the air, dancing to the tune and rejoicing when "the beautiful spring came; and when nature resumed her liveliness, the human soul is apt to revive also". The spirit of youthfulness hung at every corner welcoming the month of April while stepping into the new session in our beloved KMSSS.

Martyrdom Day of Shaheed Bhagat Singh Ji

The morning Assembly came alive with Speech delivered by Debjeet Chakraborty of Class X on the occasion of **Shaheedi Diwas**. The programme proceeded with an interactive session between our Respected Principal ma'am and our students.

Vaccination Camp for the students of Classes VII and VIII was held in the School Campus on 31 of March 2022 as a part of the vaccination programme in School. Almost 371 students were vaccinated under this programme.

Back to School programme for classes I – VIII commenced from 21st to 31st March, 2022 giving an opportunity to the students to return to their second home.

Felicitation Ceremony

Our Principal ma'am was felicitated for her contribution to the education sector by The Times Of India Group. The Management team, teachers and staff congratulate her and wish her every success.

Report from the School Counselor's Desk on Orientation Programme.

Orientation for Parents of Classes I- IX & XI

During the second and 3rd week of March Parents' orientation programme was arranged by our school for the parents of classes I-IX and XI. The main objective of the orientation programme was to bring back the parents to the flow of the offline schooling system after two long years of distance learning process before the beginning of the new academic session. In our school we believe in holistic development of students. Henceforth along with the discussion regarding general rules and regulation, exam pattern by our respected principal ma'am Dr. Gurmeet Kaur Arjani the mental health issues which are generally ignored by the parents but play a vital role in the development process of an individual were also discussed. Mental health related topics like school anxiety, regaining social skills, internet addiction, cybercrime and safety, parent's role in handling adolescent issues etc which are very pertinent topics in post covid situations were focused.

Counselling

Individual follow-up sessions were conducted online. Few of the sessions were conducted in school where the main goal of the interaction was to enable the students to deal with exam anxiety. In a few cases parental sessions were also conducted.
