E-BULLETIN FOR THE MONTH OF FEBRUARY-MARCH, 2024

SENIOR SECTION

From the desk of our Respected Principal Ma'am ...

“Success is the sum of small efforts, repeated day in and day out.”

— Robert Collier

As the school year draws to a close, it's the perfect time to show gratitude to the people who have dedicated their time and effort to help all of us learn and grow.

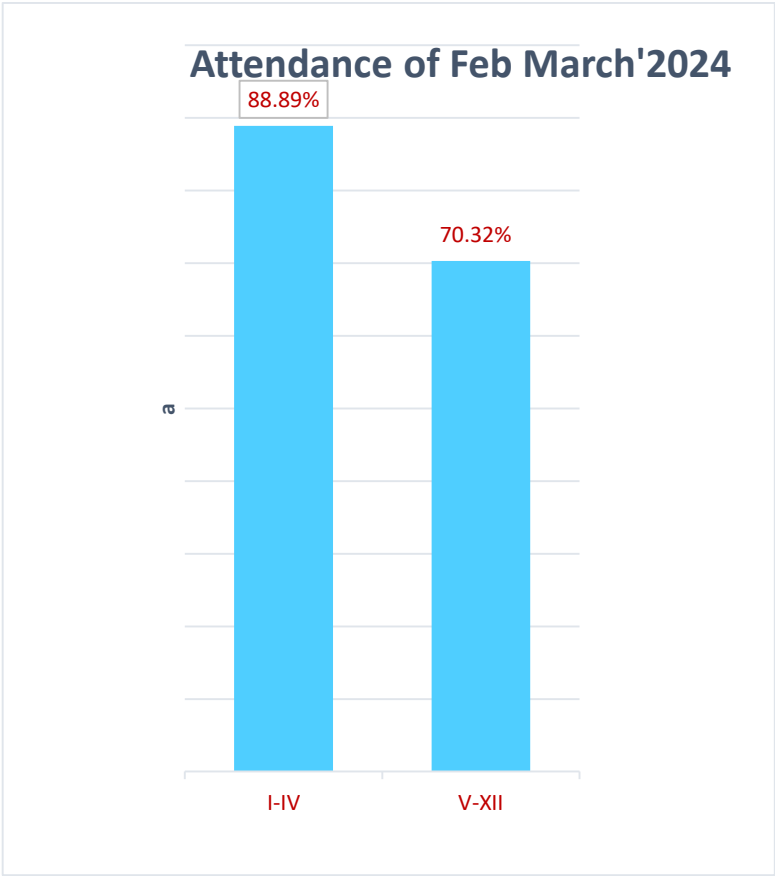

We are really proud of our students again, in particular we are proud of the way they have continued to maintain the ethos of the organisation. All round the year students have participated in the inter house activities, competitions, sports, seminars, workshops, volunteering events and bagless activities. .

As we are making ourselves ready for the upcoming session, we will not only continue to build on the good work over the past academic sessions but are also committed to achieve excellence in all that we do. This requires dedication, determination, hard work and a relentless approach towards achieving the very highest standards and Team Khalsa has always wanted and worked for the very best of their students.
