Upon whose head The Brave & Powerful Guru stands, O Nanak, all his efforts are fulfilled.

E-Bulletin for the month of September & October, 2021

KHALSA MODEL SENIOR SECONDARY SCHOOL (SENIOR SECTION)

Embracing New Normal

Life will not be the same again after the Covid-19 pandemic. We are all anticipating a fresh beginning. The start of a post-COVID future in which everything will change, and we will need to adjust our behaviour accordingly. Everything will change our values, our lives, our houses, our etiquette and manner of social contact, our viewpoint, and societal outlook. We are inclined to speculate and are curious about what the future holds for us, but we can never be sure since the future is unpredictable. Here I want to state that there is always a light at the end of the tunnel and that "this too will pass." I think that regardless of how difficult it seems right now, we will make it through together.

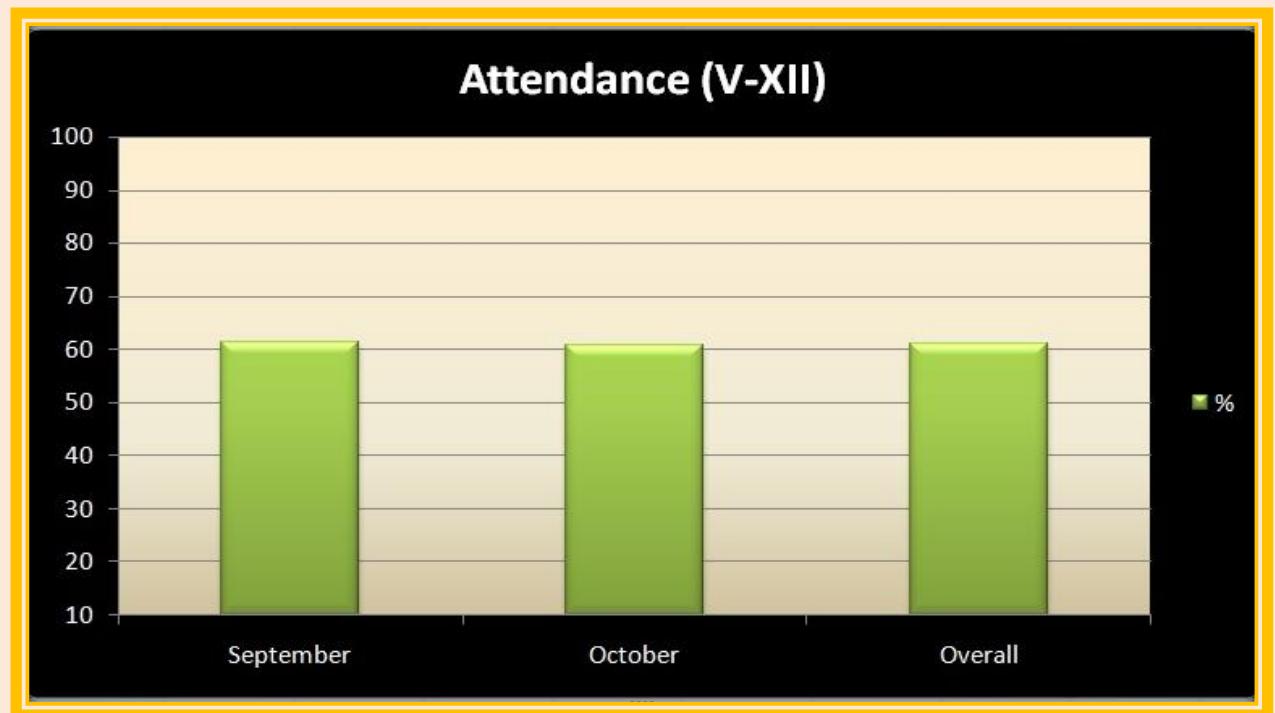

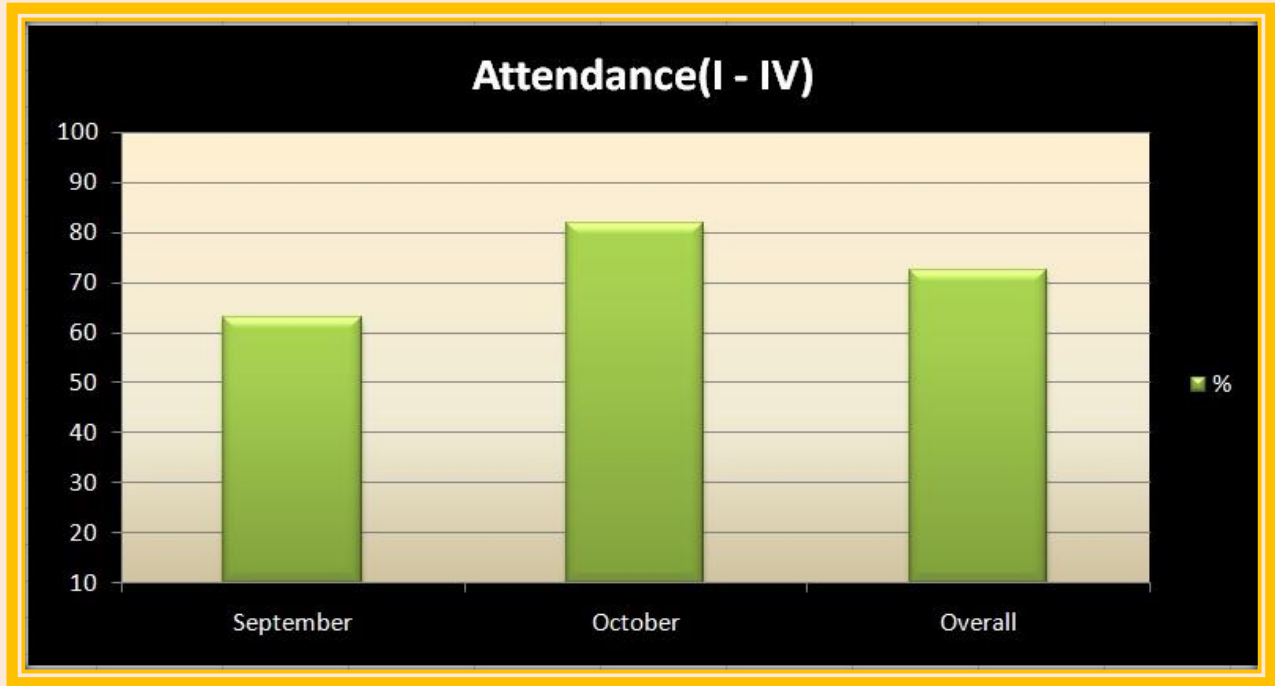

When it comes to a new normal in education, this means more effort from students and more patience from teachers...and vice versa. For the wellbeing and health of everyone, parents need to be vigilant about preparing their kids and teens, and helping to support the teachers, who will be doing their best to keep kids safe while they're in their care.

It is safe to say that, when schools reopen, what has been learned from this experience should be used to effect positive change in the approach to improve lives

Dr Gurmeet Kaur Arjani

ATTENDANCE

Attendance graph for the month of September and October is shown below:

The Blue sky, white clouds and *kashful* — the harbinger of autumn and the festive season — complete the setting. It's time for Sharat (autumn). Our children are not familiar with what autumn means in Bengal. This is an effort to celebrate the advent of the fruitful season. The KMSSS team celebrated September - October through activities involving children's overwhelming participation.

Teacher's Day Celebration:

From giving us a purpose to set us up as successful citizens of the world, teachers inspire us in a drive to do well and succeed in life and to recognise the hard work of our mentors and gurus. Teachers' Day or Shikshak Divas is celebrated in India with great pomp and show.

In India, it is marked on the birthday of Dr Sarvapalli Radhakrishnan who was the first Vice President of India (1952–1962) and also a highly-respected teacher, philosopher and prolific statesman. Dr Radhakrishnan went on to become the second President of India (1962-1967) and thought that “teachers should be the best minds in the country.”

A virtual celebration on the occasion of Teacher's Day was organised by the students and the video was circulated among all. The School Management Team had arranged for a prize distribution ceremony and a grand luncheon for the teachers in appreciation of the hard work displayed by them during this present pandemic situation.

To ensure a happy and healthy life for all, a webinar was organized on the occasion of the virtual launch of the Health Education Curriculum. Mr Anurag Tripathi, Dr Muffazal Lakdawala and Mr Dilip Thakore graced the occasion with their presence. Our Principal ma'am, teachers, parents and students were invited to attend the launch ceremony.

Our school organised a ***Swachhata Mission*** to spread awareness about daily cleanliness and hygiene and also the importance of a clean environment reminding us once again of the proverb "Cleanliness is next to Godliness." The Science teachers of Classes I- VIII and Biology teachers of Classes IX-XII had organized some activities such as skit/ poster making/slogan/painting and so on. During the online classes, activities were allotted to various classes like drawing and painting, Quiz programme, model making, poster and slogan writing, essay writing based on basic hygiene and cleanliness as well as maintaining a clean environment.

Under the activity program conducted by the CBSE, our school observed **Rashtriya Poshan Month** from classes IX-XII to focus on the requirement and importance of a balanced diet, healthy eating, highlighting foods having adequate nutritional values and doing away with junk food. Hence, photos with kitchen garden, debate and collages and drawings and quizzes were conducted. The teachers had taken the initiative to make the children aware of the medicinal plants in their surroundings. The whole event was conducted by the Biology teachers of the school.

Grandparents are the most fulfilling gifts of God in our lives. Hence to celebrate the presence of our Grandparents in our lives and to make them understand how important they are to us, a **Competition for Grandparents** was conducted in KMSSS. Topics for the competition were singing, grooming up as fictional characters and dancing. Surprisingly, many grandparents came out in support of this. Although we cherished the performance of every participant, three names were chosen to be awarded later.

Several webinars and a workshop organized by the school enhanced students' knowledge to combat the present scenario. A Workshop by **E- Cell, IIT Bombay** launched **Eureka! Junior 2021**, a Business-Plan Competition for classes VI-XII on various aspects of Entrepreneurship. This workshop was attended by many students from classes VI-XII. On another occasion, **28th Fit India Quiz** had provided an opportunity for our students to participate and was selected to move up to the next level. **Space Challenge 2021** allowed our students to take part and come out with flying colours.

A virtual celebration of the **Birth Anniversary of Shaheed Bhagat Singh** was remembered and celebrated through a video where snippets of information about the charismatic Indian revolutionary were shared by our students.

Apart from several activities and events, students attempted their First Periodic examination in September.

The month of October commenced with the celebration of **Gandhi Jayanti** on the 2nd of October. A video was shared in every class group remembering the words of Gandhiji, our beloved Bapu. Speeches were prepared by our students, presented through the virtual platform winning over the hearts of many.

An Essay/Poem / Painting competition was held for all the students of KMSSS where enthusiastic students participated wholeheartedly. Such a creative platform promotes and encourages creativity and nurtures young minds.

The KMSSS family cherished the launch of the **School Website** to improve accessibility to offer key information and news for parents and present before all the ongoing activities and events in progress. The website also provides curriculum topics, terms, dates, and the latest news from school.

Keeping the present pandemic situation in mind, a **vaccination camp** was set up on the campus to extend help to the elderly and the non vaccinated people.

The teachers of the KMSSS family wish the students Good Luck for their **First Terminal Examination** and also convey best wishes to the students of Class X & XII for their forthcoming exams.

COMPETITIONS

RESULT OF GRANDPARENTS COMPETITION(30.09.2021)			
Position	Name of the Grandparent	Name of the Students	Class & Section
1 st	Shikha Datta	Arnab Datta	III B

Dasgupta

Mrs. Sreelekha
Chatterjee

Mrs. Deepa Mukherjee

Mrs. Mrs. Gopa

Mrs. Harjinder Kaur

The International Institute of Hotel Management felicitated some teachers of KMSSS on the occasion of Teacher's Day brought smiles on every face.

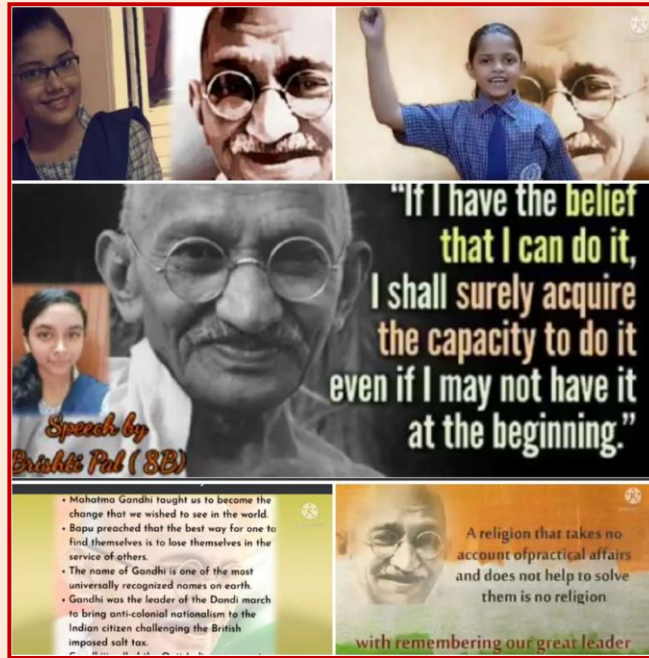

FAREWELL

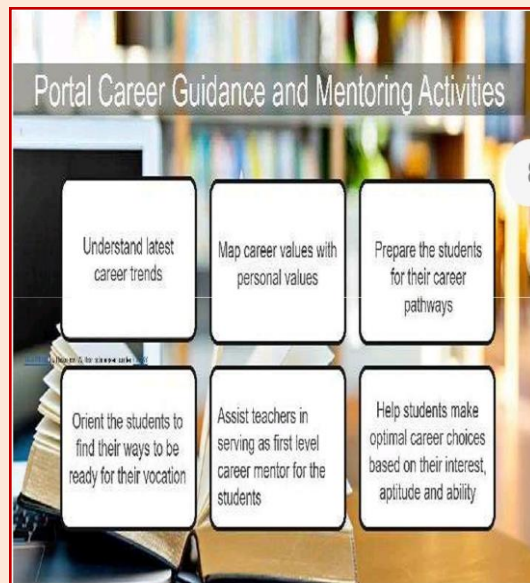

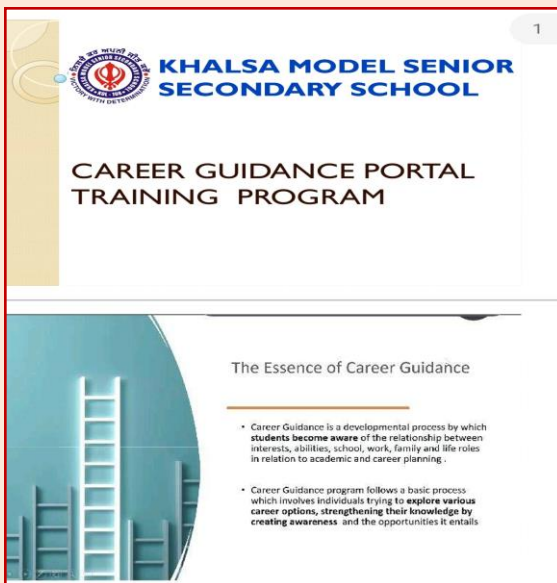

Adieu Adieu !!

It was the day to part and she was all in smiles to accept what was coming. Serving in the institution for almost 35 years and giving her best to bring in laurels for the institution that she loved so dearly. Her friendly nature and helping attitude brought her closer to her colleagues. She is none other than our loving Mrs. Anita Suppal ma'am, a person upright and soft-hearted teacher all at the same time. We wish her a long, healthy and cheerful life ahead.

Awards and Honours

Reward and recognition during adversities encourage and motivate team work and improves the culture of the workplace. Our beloved KMSSS school was awarded for **Outstanding Performance During Covid Pandemic** by JIS University. It's a proud moment for all of us.

Every year The Telegraph School Awards for Excellence is presented to children to uplift their spirit to overcome all odds and excel in life. This year our school, as well as our students, were awarded and recognized for fetching laurels for our institutions.

The Telegraph School Awards for Excellence has presented *The Surrendra Paul Award* to our beloved student Ms Ishita Jha for Courage, *The Ambuja Neotia Award For Excellence in Maintenance & Eco- Friendly Initiatives Certificate Of Appreciation* has been received by our school, *The Anirban Sinha Award for Outstanding Talent in Music* was received by Nabagata Bhattacharjee and Mrs Debasree Chakraborty, mother of Sayan Chakraborty, was presented with "*The Abhirup Bhadra Memorial - Thank You Baba- Ma*" Award for every support and sacrifices that she had endured.

House Points at a glimpse
