

ਸਿਰ ਉਪਰਿ ਠਾਢਾ ਗੁਰੂ ਸੁਰਾ ॥ ਨਾਨਕ ਤਾ ਕੇ ਕਾਰਜ ਪੂਰਾ ॥  
Upon whose head The Brave & Powerful Guru stands, O Nanak, all his efforts are fulfilled.

# **E\_Bulletin for the month of January 2022**

## **KHALSA MODEL SENIOR SECONDARY SCHOOL (KINDERGARTEN SECTION)**

*January 2022*

*The New Year is a great opportunity to turn a difficulty into a challenge. Yesterday's dream is today's hope and tomorrow's reality. Each day is a new beginning and the New Year is a new journey of life, don't let obstacles stop you from fulfilling your hopes and dreams. The New Year gives us an opportunity to clean our slate and write a new chapter on it, and resolve to make the New Year the best journey of your life.*

*Don't wish for things to be easier - wish to be better.*

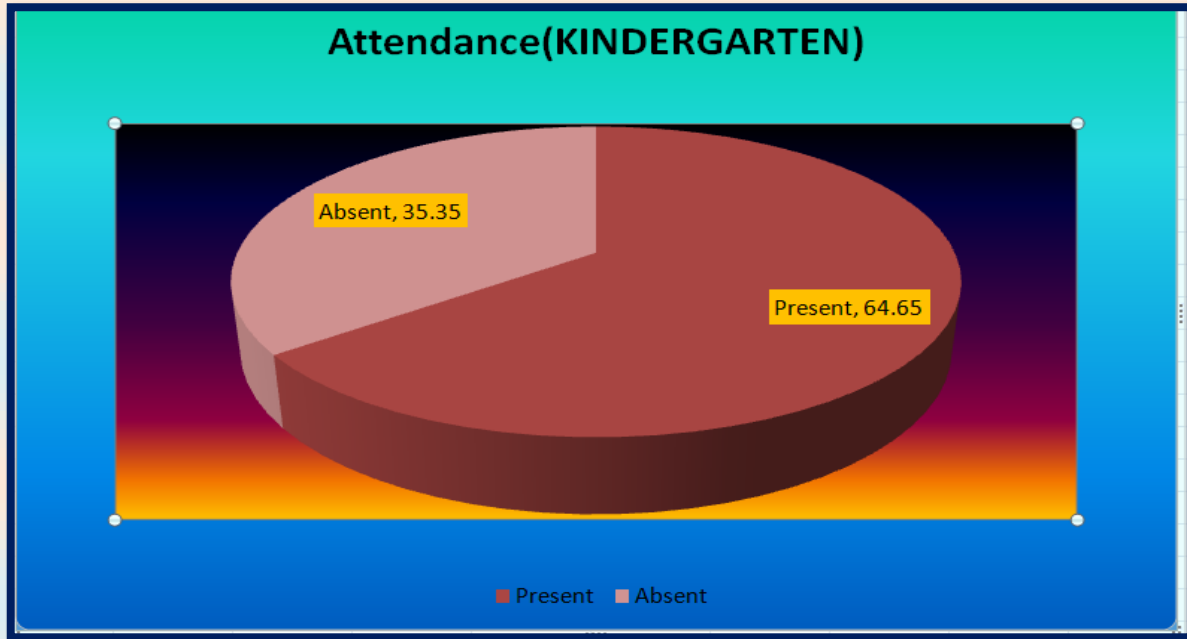

*Don't wish for fewer problems - wish yourself to have more skills.*

*Don't wish for less challenges - wish for more wisdom.*

*Dr. Gurmeet K. Arjani*

## Attendance

Attendance graph for the month of January is shown below:

*\*\*The KMSSS team is thankful to Mrs. Sanchari Deb parent of Sristi Deb for her suggestion regarding E-Bulletin*

The quiet, cold and foggy month of December paved the way towards January 2022, welcoming it with new resolutions and best wishes to carry throughout the year. The KMSSS staff and students welcomed the New Year with the **Virtual Celebration of Gurpurab of Guru Gobind Singhji** on 9<sup>th</sup> of January 2022 started with Ardas seeking blessings and strength to last throughout the year 2022. Bhajans and holy songs were sung by the students in honour of the Guru.

**Lohri, the harvest festival and Vivekananda Jayanti** were celebrated by the UK's of the Kindergarten Section of KMSSS through drawing and colouring. Imagination aids in the development of social, emotional, creative, physical, lingual and problem-solving skills in children. Therefore children used their imaginative skills to draw and paint portraits to express themselves.

On the 12th of January 2022, the KG students were involved in the **New Year Greeting Card Making activity** to develop their creative skills. Through drawings, children can understand more difficult concepts.

**Origami** has numerous effects on children. It helps in eye-hand coordination, sequencing skills, spatial skills, mathematical reasoning along developing memory, patience and attention skills. It enhances creative skills within children. Hence the tiny tots of the Nursery were exposed to this craft to create shapes of animals and have fun!!

**Republic Day Celebration** in the Kindergarten Section was observed on 24 - 25th January 2022. Reciting the **Mool Mantra** by the Nursery students on the eve of Republic Day became a part of the celebration. Both the Nursery and the UKG students displayed their creativity through crafts and drawing the **National flag**.

# NURSERY
