## E Bulletin for the month of December, 2021 **KHALSA MODEL SENIOR SECONDARY SCHOOL** **(SENIOR SECTION)**

December 2020-21

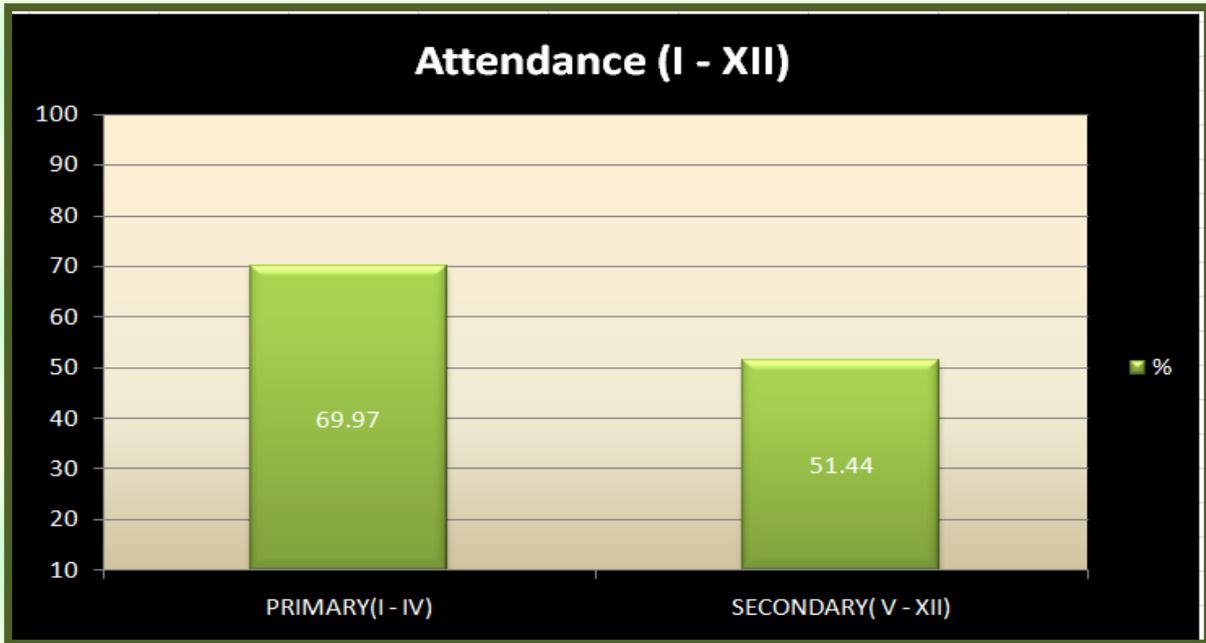

In the 21st century, the pure academic type of education that students are introduced to, is steadily paving way to a whole new type of education with a special focus to incorporate three major genres of education: reasoning, psychomotor and emotional learning.

Under such shaky circumstances, retaining a sense of normality for learners and their teachers has been crucial. One of the most pressing tasks facing educators was to ensure that students' learning is uninterrupted, Team Khalsa firmly believed that it can be achieved by working together and also ensured that school activities are designed purposefully to give an apt mix of student's participation in academics and also create a chance for all round development.

## Attendance

Attendance graph for the month of December is shown below:

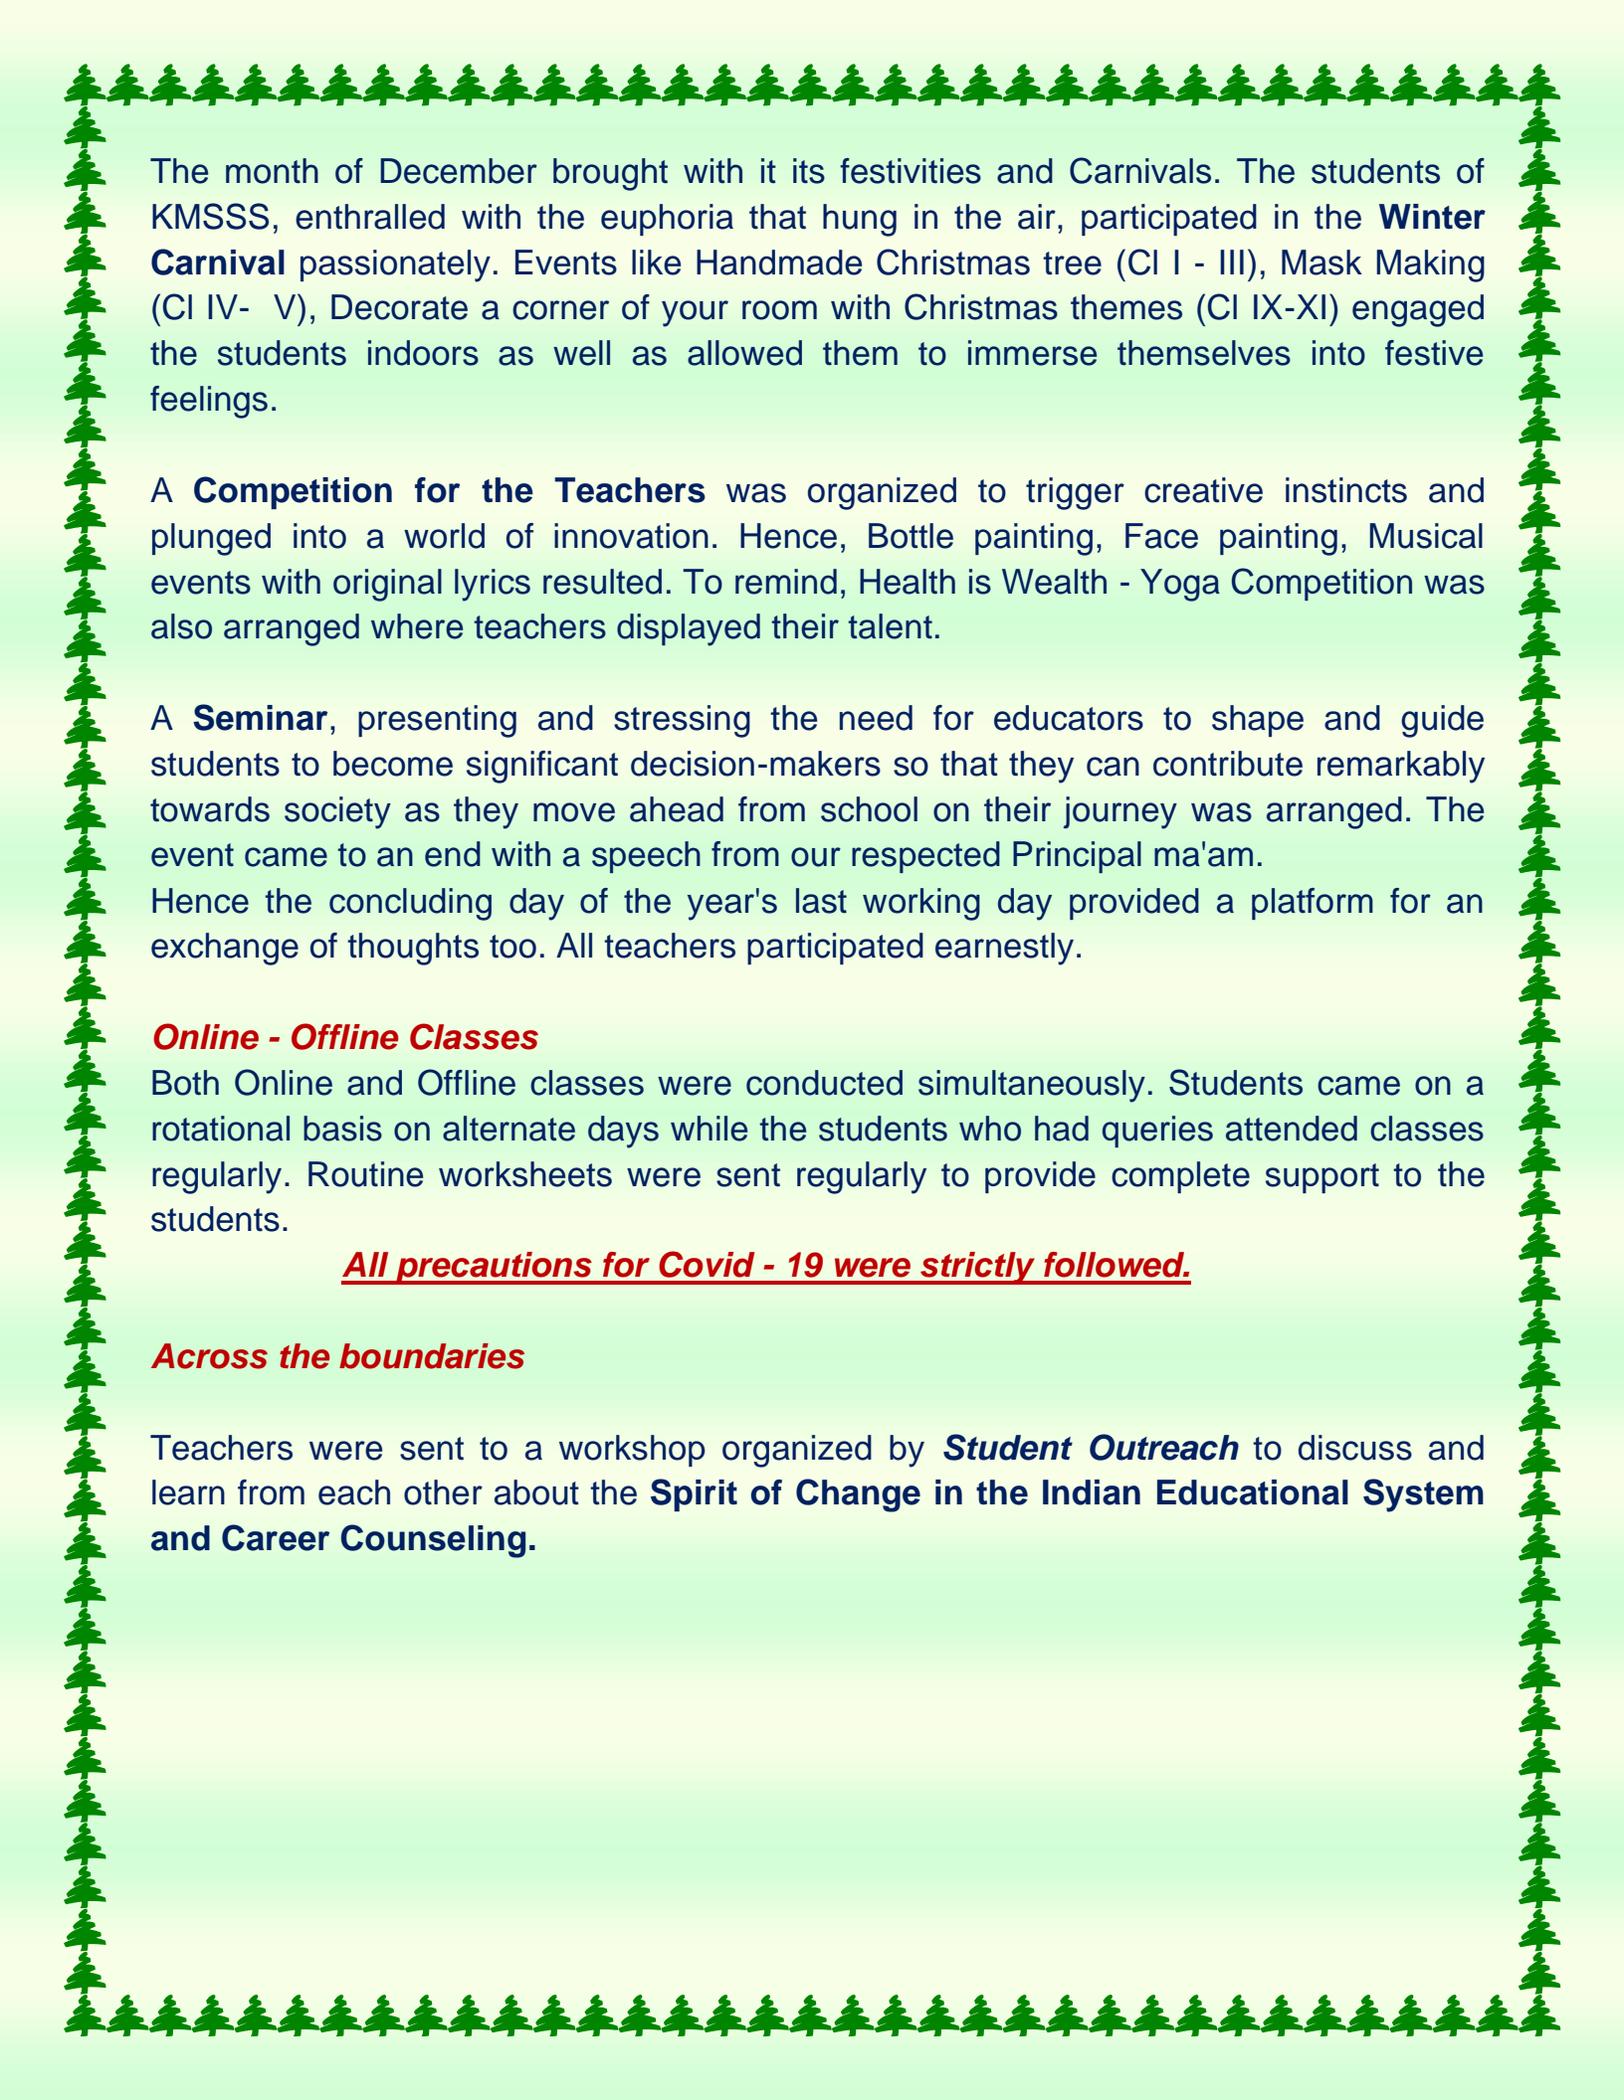

Laughter is the sun that drives winter from the face. In KMSSS, this laughter was shadowed by the ongoing exams that children had been attempting to assess their knowledge. It should be remembered that examinations are merely a medium to express one's level of understanding of a particular subject. So along with periodic examinations, some activities were conducted to rejoice the closure of the year.

As per the CBSE circular, a **letter-writing competition on a Postcard** was conducted on the following topics: Unsung heroes of freedom struggle or My Vision for India in 2047. Students chose to write on any one of the topics to express their views and reveal their opinion to the Prime Minister of India. Classes IV to IX participated wholeheartedly.

### **Quiz on Guru Nanak Dev Ji and Guru Gobind Singh Ji**

A **Quiz Competition** was held for Classes VI-VII on Works & Information about Guru Nanak Dev Ji and Guru Gobind Singh Ji, where participants displayed their knowledge as well as showed their inclination towards culture and tolerance through their active involvement.

The month of December brought with it its festivities and Carnivals. The students of KMSSS, enthralled with the euphoria that hung in the air, participated in the **Winter Carnival** passionately. Events like Handmade Christmas tree (CI I - III), Mask Making (CI IV- V), Decorate a corner of your room with Christmas themes (CI IX-XI) engaged the students indoors as well as allowed them to immerse themselves into festive feelings.

A **Competition for the Teachers** was organized to trigger creative instincts and plunged into a world of innovation. Hence, Bottle painting, Face painting, Musical events with original lyrics resulted. To remind, Health is Wealth - Yoga Competition was also arranged where teachers displayed their talent.

A **Seminar**, presenting and stressing the need for educators to shape and guide students to become significant decision-makers so that they can contribute remarkably towards society as they move ahead from school on their journey was arranged. The event came to an end with a speech from our respected Principal ma'am.

Hence the concluding day of the year's last working day provided a platform for an exchange of thoughts too. All teachers participated earnestly.

### ***Online - Offline Classes***

Both Online and Offline classes were conducted simultaneously. Students came on a rotational basis on alternate days while the students who had queries attended classes regularly. Routine worksheets were sent regularly to provide complete support to the students.

**All precautions for Covid - 19 were strictly followed.**

### ***Across the boundaries***

Teachers were sent to a workshop organized by **Student Outreach** to discuss and learn from each other about the **Spirit of Change in the Indian Educational System and Career Counseling.**
